Dear Brethren in Christ:

Greetings to you from your brothers and sisters of New Hope United Methodist Church, in the name of Jesus we say shalom.

We the Pastor, Officers and the entire membership express this time in the name of the Lord to express our acknowledgement in appreciation for your Christian love you have demonstrated toward our congregation.

In acknowledgement of your kindness, we thank God Almighty for you as a Church Council and the Congregation of Union United Methodist Church for your brilliant and timely resolution in selecting our congregation be to in partnership in the ministry of our Lord Jesus.

Your covenant relation with New Hope is a clear manifestation of the working of the Holy Spirit through you for the people of our congregation. It is also an indication and inspiration of hope into a dawning of a new day in the life of our congregation.

This partnership we strongly believe will go a very long way for mutual benefits of our both congregations not only the provision of temporary needs but more importantly spiritual empowerment. This benefits were envisaged during the presentations of your financial aid and other gifts by Rev. Edward Weston.

We are highly overwhelm with joy for your decision to support us in our monetary needs as we construct New Hope edifice which is a paramount concern. We could hear the voices of the Council Chairperson, Lay Leader, Chairperson on finance, Chairperson SPRC, the children and every member of your congregation speaking through Rev. Weston as he was making those presentations. We felt your compassion and desire as you committed yourselves to providing \$15,000.00 within two years period.

When we received the \$7500.00 the T-shirts, stole, and toys for the children, they were not only seen as aid to the church but with great spiritual meaning.

They served as conduit for evangelism and discipleship to bringing people closer to Jesus Christ within the community and among us at New Hope.

Again we say a big thank you and bravo in the Lord and for sending your dear pastor to us.
